EQUIPMENT/SUPPLIES INVENTORY

At the start of the project year, list all the equipment you own under Item. Then record under BEGINNING how many you have of each item (Quantity) and how much they are currently worth (Value). Then record under ENDING how many you now have and how much they are now worth. **Record all horses in Animal Inventory or Animal Purchase as appropriate (pg. 5 - 6). If an item is given to you at no cost (i.e. donation, gift), still include a value amount in your inventory as that item still has monetary value for your project.** Remember if you have used up, sold, or purchased items, your Ending Inventory (Quantity, Value) will be different from your Beginning Inventory.
