

Western Riding Level 1 Pattern A

Simple lead changes are required, flying changes to be penalized. See rule 188 and 124.B.8

1. Walk at least 15' and jog over pole.
2. Transition to lope.
3. First crossing change.
4. Lope over log.
5. Second line change.
6. First line change.
7. Second line change.
8. Lope to center, stop and back.

This pattern could be used for level 1 when choosing Western Riding Pattern Number 1.
