No entries at the contest will be accepted.

All 4-H Cat ID Forms (including health certificates) are to be on 4-H Online by May 1st. The county will complete the online portion of the registration process on behalf of its participants.

Passes to enter the fairgrounds on the day you are showing and the day you set up your cage should be provided by your local 4-H Extension Agent in your local Extension Office. No passes will be sent out by the superintendents of these contests.

The State Fair Cat Show is a 4-H show. As such, 4-H youth development principles are of primary importance.

GENERAL CONTEST RULES:

1. **The Cat Show will be held Saturday, August 31, 2024.** It will be held at the Colorado State Fair 4-H Auditorium stage. Check-in for cats will be from 11:00 AM to 12:30 PM on Saturday, **August 31**, and the show will begin at 1:00 PM.
2. Dates of approved current and effective vaccination of the cat for rabies and FVRCP (feline viral rhinotracheitis, calicivirus and panleukopenia/distemper) must be provided on the State 4-H Cat ID Form. It is highly recommended that you have your cat(s) tested and vaccinated for Feline Leukemia and Feline Immunodeficiency Virus. While this is not mandatory, it is recommended for the health of your cat. If you have a cat that has tested positive for FELV and/or FIN, please alert the show superintendent so that appropriate precautions can be taken. 4-H members vaccinating their own cats must provide proof by including a statement from their vet or by including the vaccination labels. A rabies vaccination is federally mandated to be given by a veterinarian ONLY. This vaccination must be current and include a veterinarian's signature.

Each entrant is required to complete the **State 4-H Cat Identification on 4-H Online** and have it on file in their Extension Office by **May 1st**. This form will be used at the State Fair Cat Show so make sure that all 4-H Cat members have completed this Cat ID.

3. Proof of Rabies vaccination must come from a licensed veterinarian, or the cat is not legally considered vaccinated. If the member's cat receives rabies immunizations which are given by anyone who is not a Colorado State licensed veterinarian, these immunizations will not be recognized by law should the cat bite someone.
4. State Fair 4-H Cat Show officials and/or staff can and will dismiss any entrant or his/her family from the show for any mistreatment of cats entered in this show. If a question should arise as to what constitutes "mistreatment," State 4-H staff and/or officials will meet to decide appropriate action in each case.
5. Any negative behavior on the part of the exhibitor, family members or leaders directed toward any official will result in disqualification and awards forfeited. If there is a question as to the rules or the judging of a class, adult family members or leaders must approach the Superintendent of that division and **not the judge**. The Superintendents will then take the question to the judge if warranted.
6. Protests must be submitted in writing and presented to the superintendent(s) within 24 hours after judging is announced. Protests will be handled first by the superintendent(s) and then reviewed by State 4-H Office personnel. A fee of \$50 must accompany any protest. If the protest is upheld, the fee will be returned. If the protest is not upheld, the fee will be kept and deposited into the State Cat Project Fund.
7. Show management will have final decision authority. If needed, show management may request assistance with arbitration from a committee comprised of the show superintendents, the judge (if willing), and the leader and/or agent from county involved (if present).

8. **Colorado State 4-H Dress Code**

This dress code is to be followed by all Junior, Intermediate, and Senior 4-H members, as well as adult leaders, advisors, and chaperones at all Colorado State 4-H sponsored events including but not limited to the Colorado State Fair 4-H Cat Show. Deviations from the dress code will result in a request to change. This dress code is not subject to personal interpretation.

Exhibitors should wear clean, simple, neat clothing. Dress shirts (with collars) or blouses are preferable. Exhibitors must wear pants and close-toed shoes for protection.

9. The general age groups for Cat Project are:
Junior 8-10 years old
Intermediate 11-13 years old
Senior 14-18 years old
Age is determined by the member's age as of December 31 of the current 4-H year.
10. All cats must be brought to the show in a travel carrier, and the carrier must stay near the showing area all times. The carrier should have a towel or blanket in the bottom for traction for the cat.
11. A display cage will be provided at the show for each cat.
12. Exhibitors are to provide their animals with a litter box, litter, food, and water. Additionally, they must provide a bottom liner such as a blanket or a rug to provide traction for the cat. Exhibitors should also have a blanket or some sort of cloth to cover the exterior of the cage when necessary. The cage should be clean and orderly always. Members are invited to decorate their cages as well, and awards will be given for decorations. (See details below).
13. All cats must be on a halter and leash when outside of the cage. The simple, thin, nylon harnesses tend to work best.
14. No cats are allowed beyond the immediate vicinity of the 4-H Auditorium.

15. Each 4-H exhibitor is responsible for preparing and showing his/her own cat(s). Each exhibitor must bring his/her own cat to the judging table. Only 4-H members may show cats at the judging table. All exhibitors are expected to stay in the area with their cats during judging. If a 4-H cat is not on the judging table at the time the class is judged, it will not be judged. Communicate any potential schedule conflicts with other 4-H activities with the superintendent in advance of the show.
16. A cat that becomes difficult to handle may be judged in the cage at the judge's discretion, with A LOSS OF 5 POINTS in showmanship.
17. Overall placing scores, prizes, and score sheets will be given out at the day's closing ceremony.

EXHIBITOR ELIGIBILITY RULES:

1. Member must be enrolled in the 4-H Cat Project.
2. The member must own his/her project cat individually or in partnership with immediate family members or guardians during the complete duration of the project year. No leased cats will be allowed to show at State Fair. If requested the member must have proof of ownership of the cat at the time of entry and provide that to the superintendents. The member must provide majority of care for the cat(s).
3. Any member exhibiting his/her cat at the State Fair 4-H Cat Show must be an official representative of his/her county.
4. An acceptable record book must be done and meet all guidelines required by his/her county for State Fair qualification.

CAT ELIGIBILITY RULES:

1. Cats may be purebred or household pets. Cats do not need to be registered or pedigreed to enter the 4-H Cat Show.
2. It is recommended that all 4-H cats, other than pedigreed breeding animals, be neutered or spayed.
3. No obviously pregnant or lactating queens will be allowed to compete in any classes at the State Fair.
4. No kittens under four months old will be allowed to show.
5. Each cat exhibited will be examined at check-in. Cats must be clean and in good health (clear eyes and nose, etc.) and free from injury or pain. Cats must be free of fleas, ticks, ear mites, worms, other parasites, and diseases. Any cat not meeting these health requirements will not be judged and will be asked to leave the show immediately. The superintendent reserves the right to not allow cats to show that are believed to be a health threat to other animals.
6. All cats must have their front and rear claws clipped for the safety of the 4-Her and judge.

SHOWMANSHIP:

Showmanship is mandatory. All 4-H cat show exhibitors are required to show **ONE** cat in showmanship. Exhibitors must prepare and show their own cats. Exhibitors will be judged on their handling of the cat from its cage to the judge's table. They will also be expected to answer questions as to breed, age, type and date of immunizations, sex, and general knowledge of the cat.  - Use a separate sample for your food kept at your display table. Do not use your displayed serving for the judge's sample.
 - Serve the judges sample using disposable dishes and utensils. Do not use any food, dishes, or utensils from your display.
 - Use disposable plastic gloves if hands are going to touch the food while serving the judge.

- Do not use plastic gloves throughout your set up and judging process. They do not remain sanitary very long.
- Have a copy of the recipe and be ready to show to the judge if requested.

Food Safety and Contest Kitchen Use:

1. All food used for Creative Cooks should be brought from home unless you choose to purchase perishable items in Pueblo.
2. When selecting your recipe and prepared item, consider how the item will be transported to the State Fair safely (kept at safe temperatures) and attractively displayed. Judges may refuse to sample any food items they feel are unsafe to eat.
3. The kitchen at the Colorado State Fair is extremely limited so do as much food preparation as possible at home. A microwave is available to be used for warming only. Electrical outlets are available to plug in slow cookers, etc. to keep food at correct temperatures.
4. Leave the kitchen clean when finished.

Judging will be based on:

- A. Exhibitor — well groomed; understands meal planning
- B. Menu — balanced for flavor, color, texture, shape, and nutrition
- C. Prepared dish — appearance, flavor, and quality
- D. Table Setting — attractive; suitable for meal
- E. Knowledge of nutrition
- F. Specialty food knowledge
- G. Food safety
- H. Creativity

Colorado Specialty Foods Category:

1. Contestants entered in this category or classes must use the 2024 designated food or ingredient in their Creative Cooks exhibit. The product must be a major ingredient in the recipe to qualify for this division. Ingredients such as oil used to brown meat, as a garnish, or a spice or herb in the recipe do not qualify as a major ingredient.
2. Members entered in this category must also have some general knowledge beyond nutrition and food safety about this year's contest ingredient or food.

See the *Colorado Specialty Foods Category Supplement* for rules, guidelines, and 2024 designated ingredient. Adults or other youth (not part of the registered team) cannot help contestant do prep work in the kitchen or set up display. To do so may forfeit all awards won. They may help transport heavy or breakable items, boxes, etc., as needed.

NOTE: Juniors and Intermediates are not to prepare deep fat fried foods due to safety concerns.

2024 Colorado Specialty Foods Category

1. Members entered in this category or classes must use the 2024 designated food or ingredient in their Creative Cooks exhibit. The product must be a major ingredient in the recipe to qualify for this division. Ingredients such as oil used to brown meat, as a garnish, or in a small amount in the recipe do not qualify as a major ingredient.

The 2024 Contest Ingredient is Potatoes!

The potato is not a root but a storage area that is part of the plant's underground stem. Vigorous potato plants that have plenty of sunlight, water, and nutrients from the soil produce more energy than the growing plant can use at one time. The plant stores the excess energy in oval packages, called tubers (the potatoes). These tubers provide the plant energy to regrow in the spring. When the greenery starts to wither and turn brown, the potatoes are ready to harvest.

Colorado produces more than 2 billion pounds of potatoes per year and ranks fifth in the United States for potato production. There are over 70 unique varieties of Colorado potatoes. Colorado potatoes are primarily grown in the San Luis Valley in south central Colorado and in Weld County in northeast Colorado.

Potatoes produce more pounds of protein per acre than corn, rice, wheat, or oats. They are packed with nutrients, low in fat, generous in bulk and efficiently packaged in their own skins. They can be prepared in many ways and are delicious.

2. Members entered in this category must also have some general knowledge beyond nutrition and food safety about this year's contest ingredient or food. The list below is a sample of the type of information that you should discover about the food. The judge might ask one or two general questions appropriate to each age division.
 - Locations in Colorado where ingredient is grown
 - Part of the country or world where it is grown other times of the year
 - Varieties of food, ingredient, crop
 - Unique production or harvest methods
 - Plant type or animal origin
 - Specific cuisines or cultures that use a lot of this ingredient
 - The "specialness" of the ingredient—may be flavor, nutritional or diet value, color, texture, trendiness, cost
 - Special handling or preparing techniques
 - Other uses for the product
 - Any other knowledge or interesting facts members may discover

Members do not need to know all of the above. The questions should serve as a guide for possible research searches.
