DEPARTMENT T
GENERAL AND CONSUMER SCIENCE

4-H PROJECT RULES

1. Eligibility: Exhibitors in the divisions of this department must be bona fide members of Colorado 4-H whose projects work (must be 4-H members' own work and sources must be cited, plagiarism will not be tolerated) and records are certified and up-to-date and deemed eligible by the appropriate Extension agent. In addition, exhibitors must be at least eight years of age, must not have reached their 19th birthday as of December 31 of the current enrollment year and must satisfy other eligibility requirements (if specified) for a class, to compete in that class.

2. 4-H members may enter only once in the same class.

3. Members must be enrolled in the project (which may be broken down into units, levels or categories) in which they exhibit.

4. Only one exhibit in each class will be accepted from each county.

5. If a member enrolls in two units of the same project (Leathercraft for example: member enrolls in Unit 2 and Unit 3 –they must exhibit in the higher level – Unit 3). When a member takes two units at the same time, they should master the skills of the lower unit and therefore exhibit in the higher unit.

6. 4-H e-Records may be completed by pencil, ink or computer. The choice will not affect judging.

7. Display boards must meet the specifications. The standardized display board size of 4ft. x 3ft. is to be used for 4-H projects.

8. Projects are divided by Juniors, Intermediates and Seniors age groups. The age for Juniors is 8-10, Intermediates is 11-13 and Seniors is 14-18.

9. Exhibit entries will be done online. The Extension agent is to enter each exhibit online with a description.

10. Entry labels: Each exhibit and sturdy binder/notebook (containing e-Record and other materials) is to have a label containing the following: county name, exhibitor name, age, department, division, and class. The label needs to be on the upper right-hand front outside of the binder/notebook and on the exhibit (usually the back of the exhibit or on the flap). Be sure to read special instructions on tags for some exhibits, example: leathercraft, clothing, heritage arts, etc. All exhibits must be accompanied by a completed label. For security reasons, do not list the member address on projects.

11. Exhibit entries are to be entered by 5 pm on Monday, August 12 through FairEntry. Exhibits are due to state fair on Wednesday, August 14 between 8:00 am and 12noon. Exhibits will be taken down on Tuesday, September 3. We are asking all counties to come and help take down exhibits and then you can pick up your exhibits. Take down will start at 8:00 am and continue until finished. The 4-H building will be closed and locked at 12 noon. Exhibits left after 12 noon will be the responsibility of the county.

12. All Champion, Reserve Champion and placing award exhibits must be displayed and remain on display for the duration of the state fair.

13. Any exhibit released for a special activity during the state fair must be returned for display.

14. Management will not be responsible for loss or damage to exhibits, although it will use all care to ensure their safety.

15. Note: Exhibits of unusual size or shape may not be on public display. Exhibitor cards and ribbons will be displayed in project areas. All other projects will be displayed unless there is a safety, health or space issue.

State Fair Judging/Ribbon Awards

1. Champion and Reserve Champion ribbons shall be awarded only to exhibits that meet all the exhibit requirements and standards. Third through 10th-place ribbons will be awarded accordingly to standards and requirements.

2. Grand Champion and Reserve Grand Champion exhibitors will be declared in each project of the 4-H section from designated class champions. In the Junior, Intermediate and Senior divisions, a Grand Champion will be selected from all champions from each age category. The remaining class Champion and Reserve Champion exhibit in the class from which the Grand Champion was chosen will be eligible for Reserve Grand Champion consideration.

3. Those exhibits not meeting requirements and standards will be awarded a state fair qualifier ribbon.

4. Items entered in the wrong class will not be eligible for a placing ribbon.

5. The American System will be used to rank the 4-H exhibits. This system uses product standards and fulfillment of exhibit requirements to rank exhibits. It also uses the idea of competition among exhibitors to establish ranking.
Display Board Guidelines for State Fair 4-H Exhibits

Display boards are a great way to share information, but when viewers walk by, they spend only 60-90 seconds looking at each display board. Make yours stand out by highlighting the main points of your project in a fun, interesting way.

Follow these guidelines to create a display board for the state fair.

**SHAPE**
Design your exhibit so information fits on the display. Remember, you have 1 large surface, and 2 smaller side wings.

**TEXT**
Make sure that all the text on your display is easy to read. Use a large font for the title, and smaller fonts for the headings and body text. Text must be readable from 3-5 feet away. Use large bold letters. Dark letters on a light background works best.

**SPACE**
Your display should only discuss one main topic. This will help it look neat and uncrowded.

**ATTACHMENTS**
Make sure pictures and objects are securely attached to the board. Use glue for pictures and paper, and consider wires, zip ties or staples to attach bulkier items. Do not attach items that are so heavy that your board can’t stand or fold.

**SIZE**
Display boards for the state fair must measure 4 ft. wide x 3 ft. tall. They should be made of lightweight cardboard, but not poster board. Pre-cut boards are available at most craft and shopping centers. No part of your display may extend beyond these boundaries.

**DISPLAY BOOKS**
Your e-record book should accompany your board. You may use 3-ring binders or other notebooks that will keep the pages securely inside. You may not use slider-type binders.

Please place a label with the following information in the upper right-hand corner of the front cover:

**NATURAL RESOURCES**  
**DIVISION 4**  
**ENTOMOLOGY**

Note: Please read 4-H Project Exhibit Rules on page 2. *Entomology Workbook Required.*  
Entomology is the study of insects. Insects have three body regions, three pairs of legs and one pair of antennae, wings in adult stage, typically two pair. Spiders are Arachnida which have four pair of legs, two body regions and no antennae.

Exhibits in entomology are limited to insect specimens only.

1. Older members may start with Unit 2.

2. Each year 4-H members build on their collection by adding new insects as required for that unit. Refer to the exhibit requirements for the number of insects to collect for that unit.

Acceptable sizes of hand made Entomology Display Boxes taken from the manual and kit:

- 12" W x 16" L x 3" deep
- 12" W x 18" L x 3 ½" deep
- 18" W x 24" L x 3 ½ "deep

Glass tops on entomology display cases should slide to the top or side of the case to prevent them from slipping out and breaking when placed on display.

Commercially available display cases are acceptable.

Project Exhibit Rules:

1. Be sure to include the log for the discipline that you are exhibiting.

2. There is one e-Record that contains the inventory sheet and the discipline log records for all the disciplines that are required for this project.

3. Display should illustrate a chosen aspect of skill areas. This is separate from the State 4-H Shooting Sports Championships (http://www.co4hshooting.org/). (The standardized display board size of 4 ft. x 3 ft. is to be used with 4-H projects. No additional items may be included on or in front of display board.) No wooden display cases.

4. Counties may enter only one exhibit per class. Members may have entries in both the display board classes and the stand-alone classes.

5. No live ammo, tipped arrows (including field points, broadheads), knives, functional or nonfunctional firearms or bows will be allowed as an exhibit. Cardboard, paper cutouts or décor resembling firearms or bows are allowed for display purposes in the display or stand-alone classes.

6. Do not use the word weapon when creating your display. Make sure that there are no safety violations in your display. (Example: no earplugs, no safety glasses on a photo of a youth firing his/her gun.) Do not use pictures of primarily tactical in design firearms in your display, i.e., AR platform or military type firearms.

7. The display board topics should stay in close relationship with your discipline. Please do not use topics outside the scope of your 4-H project. (Example: .22 Rifle Project—should not use the topic of different types of military machine guns.)

8. Stand-alone items are items that are made to enhance the discipline, such as a quiver, gun case, gun stand, etc. No display boards are allowed in the Stand-Alone Classes.

9. For those items that will be displayed on the floor there will be a maximum size of 3 feet in width and depth and 7ft in height, because of limited floor space. The item must be stable when standing to be displayed. If an exhibit is larger than this, a notebook can be used as an exhibit showing how and what was made.

10. For those members who are exhibiting both a display board and a stand-alone, they may copy their e-record. Each exhibit must have an e-record. Be sure to highlight what you are exhibiting in your e-record.

11. No stand-alone items that are an exhibit at the time of the contests will be allowed to be removed from the building to be used at the contests.

Kathy Hettinger ..................Superintendent

Note: Please read 4-H Project Exhibit Rules on page 2.

Project Exhibit Rules
1. Cake should be placed on a very firm, disposable surface (foam core, strong cardboard, plywood, particle board, etc.), cut parallel to the shape of the cake and must be 1 ½ “on each side from the base of the border, not the cake. The surface should be covered. Freezer paper is not advised because it absorbs grease. The cake board must be covered with a food safe material, such as aluminum foil. If you use decorative or gift wrap paper or fabric, it must be covered in food quality plastic wrap.

2. It is recommended that members learn the basic cake decorating skills included in Units 1-3 before taking any of the more advanced units. Youth may then select the unit which includes the skills they wish to learn. Units 4-6 do not have to be taken in order as numbered and are for Juniors, Intermediates, and Seniors. Units 7-9 do not have to be taken in order as numbered and are for Intermediates and Seniors. Units 10-12 are for Junior members only.

3. Real cakes are required for Units 1-6. Cake forms are preferred for exhibits in Units 7-10, as they hold up better under state fair conditions.

4. Once a 4-H member has received a placing in the top 10 or a grand champion, he or she needs to move to another unit because the skills in that unit have already been mastered. Also, if a member repeats a unit, he or she must show what new skill was learned.

5. No non-edible decorations can be used in Units 1-6.

6. Lower Units (1-3) in Cake Decorating should not use Royal Icing or Rolled Fondant as the base frosting. Fondant may be used only for decorations on cakes in Unit 1. No Fondant can be used in Units 2 and 3. Only required tip work can be used in Units 2 and 3.

7. If your exhibit requires over 2’ x 2’ in exhibit area, you must check with the superintendent.

8. Cakes will not be cut for judging.

9. Real cakes are required for all required cakes and cupcake batter in Units 1-6. At least 2 of the cakes need to be real in Units 7-10. In Unit 8, at least 2 of the 4 cakes must be real cakes.

10. Unit 11 is molds and three molds are required plus the exhibit mold for a total of 4.

11. Unit 12—75 percent of the judging will be on the notebook.

12. All cakes require a bottom border.

13. Definition of two layered cake is, two of the same size cakes placed on top of each other. This is used for units 3, 7, 8, & 9.
