4-H Filmmaking

Tips:

- Follow copyright laws
- Proper use of video technology
- Effective use of transitions
- Correlates with story board
- Subject matter appropriate for all audiences
- Audio visual elements are coordinated and complimentary

Videos:

- Max 10 minutes in length
- Provide Link to View
- DVD media: be sure that it can be viewed on various platforms (ex: Windows, Mac, OS-X, etc.)
- Are in good taste (similar to G and PG ratings). Videos may be disqualified if deemed to have questionable content. 4-H Code of Conduct must be followed.
- Provide the following:
 - Name, County, Title, Class, 4-H Age and Short Description.
- Include story board in the e-record.

- Animation: Film created by techniques that simulate movement from individual images
- Narrative: Film which tells a story based on fact or fiction
- Documentary: Film which presents factual information about a person, event, or process
- Promotional: Film or public service announcements that help publicize 4-H programs or other causes or interests
- Voices of 4-H History: Historical perspective on 4-H. Combination of above designs
