

Adding or Removing Projects

Before You Start

The list of State Projects serves as your master list of projects. The entire list is located under the [4-H Program/Projects section](#).

Adding/Deleting Projects

Steps

1. Click on the Club tab in the navigation pane.
2. Click on the first Club Name to make changes.*
3. Scroll down the page and locate *State Projects*.
4. To **ADD**, click Add to view the list of projects available.
5. NOTE: Any project with an * is a county project, not a state project.
6. Check the box or boxes of all projects to add to the current Club listing.
7. When complete, click *Save*.
