

Club/Unit Leader Login

Before You Start

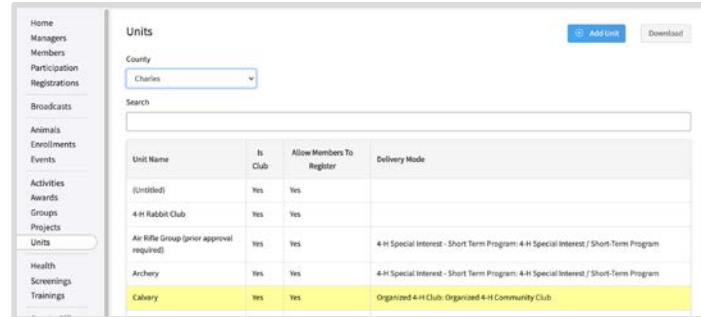

Before a Club Leader may login, the manager must give them permissions. The permission levels and functionality will be expanded in the future.

Steps

1. Log in to your Manager account.
2. Click on the Units tab.
3. Select the Club for which you would like to give a manager permissions to access.

Andrews	Lauren	Pending

5. Select the level of permissions you would like to give them.

NOTE: At this time, leaders may download a roster. The ability to edit a member's record and confirm a member's enrollment will be coming soon.

6. Send the Leader Login (PIN) to the leader.

NOTE: An option will be added to regenerate the Leader Login in case of changes in Club leadership. For security purposes, this is an auto-generated password.
