

## Transitioning the State 4-H Horse Advancement Levels Program October 2024

### Levels Implementation

- Starting for the 2024/2025 4-H year all new 4-H members in the 4-H Horse Project will follow the current posted 4-H Horse Advancement Levels Policy/Guidelines- October 2024. All new members should at minimum pass the pre-level Safety test and follow the new current policy/guidelines for levels and competencies.
- Current 4-H members will have until July 1, 2026 to migrate into the new system where they have not already been “grandfathered” in.
- Members will be grandfathered in, in the following ways:
  1. Any Horse/Rider Combo IDed in 4HOnline in 2024/2025 will receive the levels assignments and competency assignments.
  2. Any horse and member combination will maintain their current Levels Achieved. However, since some Levels have been eliminated or transitioned into a Competency those Levels/former disciplines will be transferred to the appropriate competency and level as follows in the chart below:
- Riders should not be exhibiting in classes they have not received a competency certificate for but they can practice/clinic to develop the skills.
- Over fence should be rode in hunt/hack attire.
