GUIDE FOR ROPING/CIRCLING

Roping Option:

- A catch is legal if it passes over the cow's head, including a horn catch, and holds on any part except the tail until the dally is taken and the breakaway hondo releases. On horned cattle, all head or horn catches are legal.
- Only two loops/throws are permissible. Only one rope may be carried.
- Roping should have two scores. Tracking/rating and stopping the cow are judged even if there is no catch.

Circling Option:

- An exhibitor has the option of circling the cow once in each direction instead of roping with a score for each direction of circling. A five point penalty (each way) will be assessed for not getting a circle.
