

Family Consumer Sciences Skill-a-thon
Life Skills Scenario Work Sheet for Participating Teams
(To be turned in to judges after giving the 5 minute oral presentation.)

Team/County: _____

Scenario:

Jonathan is a friend from your school. He has confided to you that his parents have called a family meeting about making some money decisions. With three teenagers in the house, money has been tight. Jonathan is very worried and feels stressed about it.

You have been learning the basics about money management in your 4-H program. What are some things Jonathan and his family need to consider as they get started managing the family budget?

Alternatives: Variety of options generated

Solution: Conclusions reached are explained and reasonable for the situation
