

Robotics Coach Training

Sat. October 21, 10 am to 2 pm in Monte Vista

LEARN HOW TO SERVE AS A YOUTH ROBOTICS COACH, OR IMPROVE YOUR ROBOTICS COACHING, IN THIS HANDS-ON TRAINING

Find out how to provide positive youth development and support as a robotics coach. Learn facilitation techniques, group management, goal setting, and more. Also, discover free coaching resources and learn some programming tips and tricks. This program is free, but participants should bring money for lunch.

How to Participate

RSVP to Amy Henschen by October 19 if you are interested in participating at slv4h@colostate.edu or (719) 852-7381. Materials are provided.

Who Can Come

Any Colorado 4-H employees or volunteers who are interested in learning about improving their coaching or starting out as a robotics coach.

Where It's At

San Luis Valley Area Extension Office, 1899 E. Hwy 160, Monte Vista, CO, from 10 am to 2 pm on Saturday, October 21.

Colorado State University
