

Lego Robotics Kit Check Out

I, _____, take responsibility for ____ Lego Mindstorms EV3 Robotics Kit, which is the property of San Luis Valley 4-H. To the best of my ability I will keep the kit(s) safe and secure and ensure that youth participants treat it/them with care. When I return the kit(s), I will complete an inventory of the kit contents. If significant pieces are missing or broken, I understand that the team may be asked to raise funds to replace them.
