Competing in other National Contests

The State Champion Team from the state 4-H contest is expected to represent Colorado 4-H at the National 4-H Contest in January of the following year, in Denver (National Western Round-up). Colorado 4-H members are not eligible to attend the Eastern National Horse contests in Louisville KY. However, the high team may select two additional national contests such as contests held by various breed associations. Please contact the contest organizers for further details and entry limitations. This team must designate the two contests they have chosen by July 1st of the year they win the state contest. The coach of the winning team is responsible to notify the coach of the second place team, the state 4-H Equine Extension Specialist and the State 4-H Contest Superintendent of their contest choices by July 1st.

The Reserve State Championship team from the state 4-H contest may represent Colorado 4-H at two National contests, after the State Champions have made their selection. The coach of the second place team is responsible to notify the coach of the third place team, the state 4-H Equine Extension Specialist and the State 4-H Contest Superintendent of their contest choices by July 10th.

The third high team from the state contest may represent Colorado 4-H at one National contest after being notified of the intentions of the state champions and Reserve Champions.

4-H team coaches are welcome to take their teams to any National contest where there is no limit imposed by the contest on the entry of 4-H teams by each state. In any contest where the entries of 4-H teams are limited, the above protocol regarding eligibility must be followed. Only when a contest has not been selected by the first three placing senior teams at the state contest, may unranked teams be entered to represent counties in the Colorado 4-H Program.

When considering out of state travel with junior 4-H members please check with your County Extension Agent on county and state policies. Generally, juniors do not go on national trips, unless there is a case where a junior is used to fill a senior team i.e. no other seniors from that county are available. However, coaches, parents and the junior member should give this decision great consideration, as the junior would then be subject to the same eligibility restrictions outlined below.

Only the team representing Colorado at the National 4-H contest at National Western Round-up is ineligible for further competition as members of a 4-H Team at a 4-H county or state contest. Members may continue to compete, as individuals, in contests that include individual competitors or as members of national teams competing in breed association contests so that they may further develop their skills. Horse and Bowl is strictly a team events by nature and do not allow for individuals to compete
