## Project Goals

**(To be completed at the first meeting or at the beginning of the 4-H year.)**

Identifying goals and how you are going to reach those goals is important to help you become more skilled and knowledgeable about your project. Personal goals are statements that indicate what you want to achieve or improve upon. You might begin by asking yourself, "What do I want to accomplish this year by taking this project?" Answering that question will help you identify your annual personal goal(s). Once you decide on a goal, then you need to plan a "To Do" list. You might think of this "To Do" list as those things you can learn or do to help you reach that specific goal. **\*Remember to use complete sentences.**

In the space provided below, **Junior members must record at least one project goal.**

**Intermediates – at least two goals, and Seniors – at least three goals.** For each goal listed, members must record at least three "To Do" items that would help them to accomplish that goal. If you have more than three goals, insert additional copies of this page as needed.

For example, a Junior member taking a woodworking project might write:

*Goal 1: Learn to sand and finish a wood piece.*

*"To Do" list: 1) Learn to operate and maintain block sander. 2) Observe a knowledgeable woodworker in action. 3) Visit a furniture factory to see how sanding and finishing is done. 4) Tell my parents that I want to do my own work in preparing my project for exhibit.*

**Goal 1:**

## Project Expense and Income/Value

**Expenses:** **Juniors only**, figure the cost of the specific ingredients and materials used for your final exhibit item or display board. Label the item "Exhibit" or "Board". You can add a more specific name. **Intermediates/Seniors**, list items **purchased** this year for your project, such as equipment, ammunition, class fees, etc. **If you are traveling to practices and contests, then put down your expenses.** (More pages can be added if needed.)

## Return on Investment

### Intermediate and Senior Members

Every day we make decisions about where to spend our time and money and what activities we want to continue. Ask yourself: How did I benefit from this project? What knowledge and skills did I gain from the project? Did I enjoy it? Was it worth the expense? Could I spend money more wisely the next time? Is it worth doing again? Do I want to learn more?

1. What knowledge and skills did you learn that you can use again?
  
2. How could you use your new skills to save money or to make money?
  
3. If you made a product to sell, how would you decide a price for your product?

## 4-H Shooting Sports Inventory

Make copies as needed. Complete the inventory for the discipline/project in this record book.

List ALL equipment that you use as part of this discipline/project. It is not important that you personally own the equipment. It can be given to you or borrowed by you. Do not list ammunition.

## How Did You Do?

Look back at the goals you listed on page two at the beginning of the year. How did you do? Did you meet the goals that you set for yourself on page two? List your goals below. Using a scale from 5 to 1, rate how you feel you did on each goal. Also, give a short explanation of why you think you deserve the rating you gave yourself. If you created more than three goals, insert additional copies of this page. **\*Remember to use complete sentences.**

## Photographs from your 4-H Project

*A minimum of four pictures with a descriptive caption for each is required. Additional photos can be added. Pictures must be project-specific.*

## 4-H Story

### Length and Format Guidelines

*You can type or hand-write your story. If you hand-write the story, use pencil or ink on lined white notebook paper.*

*If a computer is used to write the story, use plain white paper with no smaller than 12-point font.*

*Leave wide enough margins so the story can be read if inserted into a report cover.*

*Limit your story to a maximum of two (2) pages.*

*Story can be single or double-spaced if it does not exceed two pages.*

*Younger members may want to double-space their story so you can see what you are writing.*

*Be sure to use proper grammar and sentence structure.*

*Edit your story when finished. Check your spelling.*

*Have someone else read your story.*

The following questions may help you in composing a story specifically related to your project:

Why did you choose this project?

What would you do differently if you were to try it again?

What skills have you learned in the program?

Have your projects grown and scope?

Were any adults or other 4-H members especially helpful to you?

How? Has 4-H helped you become a better leader and citizen?

What has being a 4-H member meant to you?
