Exhibit: Completed Companion Animal e-Record in a sturdy binder/notebook. (Check with the county to see if they use a Display Board e-Record instead. If so, there is a different score sheet used to score display boards.) Judges may use the back of the form for more comments.

Judging Element 1: 4-H e-Record: Complete means that everything has been filled out. Not complete means that there is something missing and needs a comment as to what is missing or why it is not complete. Project will be evaluated on the quality of information completed in e-record (25 percent) and quality of exhibit (75 percent).

Revised 2025

Note: The companion animal e-Record should only be used if the county has a cat show for exhibitors to participate in rather than requiring a display board on Cats to be submitted for project completion. State Fair requires Cat e-Records to accompany display boards for the Cat project and NOT a Companion Animal e-Record.
