

4-H Entomology Unit 7

Judging Sheet

Member Name: _____

County: _____

Jr. ____ Int. ____ Sr. ____ Yrs. in Project: _____

Exhibit: Completed Entomology e-Record with emphasis on accomplishments in the story. Display your regular insect collection. Your collection should include no more than 250 insects. Display one of the following:

- A special collection of beetles, flies, grasshoppers, butterflies or some other order. Display at least 50 insects with no more than two of the same species. Give information on special collection in story.
- A display board representing some phase of your advanced project work. This could include a chart or information on an area you have researched, or special equipment used or developed. Judges may use the back of the form for more comments.

Judging Element 1: 4-H e-Record: Complete means that everything has been filled out. Not complete means that there is something missing and needs a comment as to what is missing or why it is not complete. Project will be evaluated on the quality of information completed in e-record (25 percent) and quality of exhibit (75 percent).

Criteria	Complete	Not Complete	Comments	
E-Record				
Record Cover				
Project Goals				
What 4-H projects are you taking this year?				
What activities helped you learn the skills for the project? (workshops, project meetings, classes, contests, etc.)
